MOBILE COMMUNITY CARE **A Program Designed to Meet** **Community Members Where They Are**

Mobile Community Care (MCC) provides support and resources to address substance use challenges and overall quality of life. With a focus on removing barriers to care, the program travels to target areas in Newark to provide services to those who need it most.

WE OFFER THE FOLLOWING **SERVICES IN OUR MCC UNIT**

- Screening and assessment for substance use disorder/addiction, mental illness, and overall quality of life
- Prescriptions for FDA-approved medications for substance use disorder (e.g., buprenorphine)
- Harm reduction education and resources, including distribution of naloxone
- Medical history screening, vital signs assessment, and basic first aid
- Case management services, including referrals to accessible primary care, mental health services, and other resources
- Support and coaching from individuals in recovery
